

Capital Collection

## OAK DUBLIN OILED 242

The light honey nuances in this exclusive, single-strip oak floor from the Capital Collection range from faint tan to pale golden brown, resulting in an even expression overall. Only the finest quality oak timber is used, and each board is carefully brushed to bring out the character of the grain and highlight the natural texture of the wood. Four-sided bevelling at the edges ensures a classic full plank look and feel.

### PRODUCT DETAILS
